Hours and activities for February

2 – 6pm, Tuesday, Wednesday, Thursday

Tuesdays – all ages – this is our one and only Perler bead day, so if you feel the need to melt plastic, this day is for YOU! You may, of course, do other things if you wish – you are not FORCED to do PBs!

Wednesdays – all ages – open to most activities: sewing, embroidery, crocheting, knitting, mask-making, glue-gun gluing, cardboard construction, circuitry, games....

Thursdays – all ages – This is our **MESSY DAY!!!!**

Each week will be a different messy activity; sometimes SLIME, sometimes CLAY, sometimes PAPIER MÂCHÉ, sometimes PAINT!! Check in at MS for more info, and again, you may do other activities, as well.

Remember – kids 3rd grade and under must be accompanied by an **ACTIVELY** participating adult.

Hope to see you!
