In January we had the pleasure of a live, staged reading of the play "Every Brilliant Thing" - it was excellent!!
THANK YOU Doug Thornburg for thoughtful, hilarious, uplifting, quality, community entertainment right here in Lee Vining Library.

VOLUNTEERS are welcome and needed at the library. We are grateful to the two young graduates from Mammoth Lakes that volunteered their time at the library one hour/week for the past two months. They re-organized the youth book shelves to hold more books and to make books easier to find, adding new shelves for Emerging Readers (series & first chapter books) and Young Adults (grades 10-12.) These improvements are great!
4TH GRADE students have been regular weekly patrons of the library this school year.
